MADO

Crafted by Admiral and delivered in 2009, the 39.25m motor yacht MADO is a high-performance vessel that blends modern design with impressive cruising capabilities. After a comprehensive refit in 2023, MADO is in turnkey condition and ideal for private cruising or charter use.

With her all-aluminium construction, bold lines by Luca Dini, and spacious contemporary interiors, she accommodates up to 11 guests across 5 ensuite cabins. A top speed of 30 knots, low fuel consumption, and excellent deck space make her a standout in her class.
